Forecast for Friday 07 Aug 2020

Weather: Dry in the morning with some hazy sunshine. Thicker cloud will bring some rain from mid-afternoon onwards, some of this maybe occasionally heavy. Becoming dry through the evening.

Chance of cloud free mountain/hill tops above 700m: Summits mostly clear in the morning, although some thin low cloud possible on the foothills at first. Cloud lowering to 450 metres as the rain arrives in the afternoon, this lifting off the summits in the evening.

Visibility: Good in the morning, but turning rather hazy in rain.
